Planning

The image consists of a 5x3 grid of bar charts. The top-left cell contains the word "TODO" in a bold, black, sans-serif font. The other 14 cells each contain a bar chart with approximately 10 bars of varying heights and colors. The colors used include shades of blue, green, purple, pink, brown, and grey. The bars are arranged in a somewhat regular pattern across the grid, with some taller bars and some shorter bars. The background of the entire grid is a light yellowish-orange gradient.
